

## **Prayer of Vocation**

"Lord, thank you that I have awakened this morning with breath of life in my lungs. Each day is a gift and I'm grateful for this day. Thank you for work - for a place and an occupation to reflect who you've made me to be. May the manner in which I labor today be honoring to you. Grant me grace to work with a heart of integrity and with hands of skill. In Jesus' name, Amen."
